

To whomsoever it may concern,

This is to inform you that Master Arjun, a 3-year-old with UHID: KABHK 0000240018, has successfully completed his 8 cycles of chemotherapy. We wholeheartedly thank Child Vikas Foundation and its generous donors for their invaluable support.

As per his current condition, if everything remains normal, Arjun is scheduled to undergo Neuroblastoma tumor removal surgery in the first week of February. The estimated cost for the surgery is approximately 3-5L. We are sincerely grateful for the support provided so far, and we kindly request Child Vikas Foundation to continue supporting Arjun in his ongoing treatment.

Thank you for your unwavering commitment to making a difference in the lives of those in need.

Best regards,

Feros Khan
