This is to inform you that Baby Of. Manasa is 10 month 3 days Male S/O MR.P Prathap with IP.NO: IP5-00120113 & UHID: BAH-00551408 was admitted at Rainbow Children's Hospital on 11-Jun-2023. He was diagnosed with Influenza B Pneumonia / Severe PARDS / S/P Prone Ventilation / Possible Immunodeficiency. Child is being treated with mechanical ventilation, IV fluids, IV antibiotics, nebulisations and other supportive management. Child is currently on mechanical ventilation support. The above duration may vary depending on the child's clinical condition.

Parents were counselled regarding the nature of the illness, requirement of prolonged hospital stay. Expected cost of treatment would be around 8-10 lakhs with expected PICU stay would be around 5-7 days and ward stay of 4-5 days.

This child has a good chance of survival and recovery if supported financially as we have managed similar children with good outcome. Urgent financial help is required for this child.
