To,

Child Vikas Foundation,

Hyderabad

This is to inform you that Baby. ORSU RASHMIKA 4 years/female . D/O ORSU LALITHA, ORSU VEERANNA with UHID no : 47513 was admitted in Little star and she hospital .She has been started on chemotherapy as per ICICLE [Indian collaborative childhood leukemia group] protocol. The treatment part consist of an initial intensive phase of 6months followed by maintenance phase for 2 years .Present 1 YEAR completed.If any fever spikes any low counts treatment will extend .

The cost of treatment in the intensive phase of chemotherapy hospitalization, investigations along with supportive care. Blood products means packet red blood cells and single donor platelets.

The cost of chemotherapy required during the entire treatment would be around 2 lakhs .

Thanking you .
