

**Rainbow<sup>®</sup>  
Children's  
Hospital**

It takes a lot to treat the little.

Date:07.05.2026

To,  
Child Vikas Foundation,  
Hyderabad.

This is to inform you that Baby. Vamika Shinde is 2.Year 9 months Female Child. D/o Mr.Sai Krishna Shinde with UHID no: BAH-00572822 was admitted at Rainbow Children's Hospital. She was diagnosed with Diamond Blackfan syndrome. The best option for her was Hematopoietic Stem Cell Transplantation (Bone Marrow Transplant-BMT) is curative in this condition.

Accordingly,child underwent match unrelated donor HSCT successfully. Currently, child is in the Post-BMT phase with Grade-III Gut GvHD with PRES with seizures.The estimated cost of Post -BMT GvHD care for the next 3-4 Month is around Rs.7-8/- lakh.

As the parents are struggling financially, please help for this child's treatment.

Thank you
