

Date: 13.02.2026

To,
Child Vikas Foundation,
Hyderabad.

This is to inform you that Baby. Bhandari. Dhanalakshmi is 12 Year 8 Months Female Child. D/o. Mrs. Bhnadari Sangeetha with UHID no: BAH-00625278 was admitted at Rainbow Children's Hospital. She was diagnosed with Relapsed AML (Blood Cancer), which is a high risk and life threatening condition. She underwent chemotherapy followed by Bone Marrow Transplant procedure (BMT procedure), to reduce the risk of further relapse.

Currently child is in Post-HSCT with CMV reactivation / Grade IV Gut GvHD/ Suspected sepsis. The estimated cost for Post BMT care for next 3 months is around Rs. 6-7/- lakhs.

In case of any unexpected complications, cost may go up.

If any further information is required, we would be happy to furnish

Thank you
