We at BGS Gleneagles Global Hospital ,Kengeri would like to acknowledge that Child Vikas Foundation is currently raising funds for treatment of Miss Dimple aged 4yrs/Female D/o Shri Praveeta Hj

Miss Dimple has been diagnosed with Transfusion dependent Thalassemia Major would require Allogenic Bone Marrow Transplant as a cure for his disease which would approximately cost Rs 30 lakhs & above(as patient has no siblings).

We greatly appreciate the efforts Child Vikas Foundation in supporting Miss Dimple's treatment and thank them for their contribution towards improving health and well being of our patients

Sincerely
