To,
Child Vikas Foundation.

This is to inform you that Baby.G.Varnith is 11 Months male D/o Mr.Srinath with UHID no: VIH-00180699 was admitted at Rainbow Children's Hospital. He was diagnosed with Wiskott Aldrich Syndrome. Being a high risk disease, he requires Hematopoietic stem cell transplantation, which is the only curative option as of now. As both parents and sibling are not a full HLA match and no Match Unrelated Donor available, we need to go for HSCT with Father as a Donor (9/10).

The cost of HSCT including chemotherapy, hospitalization, investigations, stem cell collection and transplant along with supportive care with IV antibiotic, IV anti-fungal, GVHD prevention & Management and Nutritional support is around Rs. 19-20/- Lakhs.

The cost break-up is as follows:

HSCT Room Rent	Rs.2-3/- lakhs
Medications	Rs.3/- lakhs
Blood Products	Rs.2/- lakhs
Investigations & Supportive care	Rs.2-3/- lakhs
Stemcells, Processing, collection & preservation	Rs.1/- lakh
GVHD prevention & Management	Rs. 5- lakhs
Post HSCT Follow-up	Rs.2-3/- lakhs
Miscellaneous	Rs.1/- lakh
Total	Rs.19-20/- lakhs.

In case of any unexpected complications, cost may go up.

If any further information is required, we would be happy to furnish

Dr. SIRISHA RANI
Reg. No: 40525

Thank you
