Subject: Requesting help for medical expenses

Respected Sir/Madam,

My son Sivavasagan, aged 3, is undergoing treatment for B-Cell ALL cancer at the children's cancer ward of Minakshi Mission Hospital. We are in a situation where we do not have the minimum of 6 lakh rupees required for my son's medical expenses. As daily wage laborers, we are unable to bear such a large amount for the treatment. Considering our situation, we request your organization to provide all possible assistance for my son.
