

adding life to years

## Hospital Recommendation letter

Date: 26.05.2023

To,

Child Vikas foundation  
Bangalore

Name of the Child: Riyah

Age: 3 years Gender: Female

Medical Diagnosis: Blood Cancer (ALL)

Suggested treatment: Chemotherapy

Proposed date of surgery / treatment: 01 May 2023

Estimated cost of treatment (Breakup) : Presently based on Induction Chemotherapy  
(9,20,000)

This is to certify that the above referred case is critically ill. The child comes from an economically weaker section and requires support for medical treatment expense. We here by recommend you this case for financial assistance. The above mentioned estimate is approximation for chemotherapy treatment and in the event of any complications the expenses may exceed the estimated cost.

Kindly help the family for the same.
