To,

CHILD VIKAS FOUNDATION.

BANGALORE.

This is regarding patient Riyah 3-year-old medical case. She was diagnosed with Blood Cancer. Currently she completed her Delayed Intensification Chemotherapy. And she will be visiting hospital once a month for further treatment.

Thank you for contributing to her 3 cycles of Chemotherapy and supportive care.

We look forward to your cooperation for another child.

Thanks & Regards,

Feros Khan

Manager-HCG Foundation
